Steps To Download :

VOICE SNAP FOR SCHOOLS

STEP 1
Go to the play store / istore & download the VOICE SNAP FOR SCHOOLS mobile app.

STEP 2
Allow all permissions asked and enter your mobile number which is registered with the school. Need not register again for the sibling.

STEP 3
On entering the registered mobile number use the default password '1234'. Then create your own password through One Time Password (OTP) system.

STEP 4
Once the password is set the parent gets logged into the app automatically. Parent can get all the information posted by the school in the app here on.
