Traffic Rules

(RTA) have appeared as a significant issue which needs to be tackled by a new approach. The trend in RTA injuries is indeed creating shock. The tactics to implement to prevent road accidents are strict enforcement of industrial procedure, health catastrophe awareness and availability of responsible...

Of road safety as a good citizen. I am honored to be chosen to write this article. My brother was a victim of a motor vehicle accident where I was injured.

LETTER WRITING

Dear Sir,
I am writing to request the Manager of a famous daily newspaper to allow me to use the facilities of your school library.

4th August 2020
